21st November 2008

11 Million Takeover Day brought new members of staff into our school. You may recognise some of them. The children wrote letters of application for the posts of class teacher, headteacher, superintendent and administration staff. Here are pictures of some of the successful applicants working hard at their new jobs – we can recommend them!

Class 2 took assembly on Wednesday 19th November and shared their work on nocturnal animals. It included spiky hedgehog movements from PE by Leah and Emily, Thomas surveyed members of the audience to find out their favourite nocturnal animal. They finished with a song about Holly the hedgehog who was too prickly for anyone to dance with until the tortoise came along with his hard shell to protect him.

Jasmine and Camron brought some of their best work for Mrs. Dodsworth's 'brilliant work' wall.

Naomi, Jack, Thomas, Leah and Kacey were the first star guests to be invited to eat at Mrs. Dodsworth's Star Table. They had real plates, cutlery and gold napkins, and their manners were beautiful.

Everyone paid 50p to come to school in their pyjamas for Children in Need Day – even Peanut joined in, thanks to Shannon who lent him some beautiful satin pyjamas. Class 1 wrote shopping lists for the ingredients to bake Pudsey Bear buns.

All the children went into the hall to add their pennies to the Micklegate penny trail. Our caring, sharing, loving and giving raised the grand total of over £100 to help Pudsey to help children in need.

We went to St. Mary's for our remembrance service with Father Bernard. The children showed great respect for the occasion while the staff read their acrostic REMEMBER readings.

We were so pleased that other people from the community joined us for the service. The children were fascinated to see Mr. Myren wearing medals on his coat, and to listen to Father Bernard explaining the reasons for all the names engraved on the stonework.

We had a great turnout for our Parents' Evenings – thank you to all of you who braved the cold and dark to come and look at your children's work. It is encouraging to know how interested you are in what the children are doing and how you want to help us to help them do their best.

**Awaiting
Photograph!**

Thank you to everyone who wrote post-its to tell us what is good about school and what could be better, keep them coming in!

We are pleased to announce the arrival of William Douglas on Thursday 13th October at 3.30am, weighing 9lb 3oz
