

Micklefield C. E. (C) Primary School

# Newsletter

13<sup>th</sup> February 2009

[www.micklefieldprimary.org.uk](http://www.micklefieldprimary.org.uk)

Yes, Micklefield stayed open throughout the snowy weather! It was all thanks to our parents who braved the snow to bring their children, our staff who were determined to get to school and Mr. Bland, Mr. Bailey, David, Ashley and John, GCC pupils, who cleared piles and piles of snow from around school. A big thank you to everyone. We all went out to build snowmen – It was lots of fun and great to see all the teamwork and design skills out there.

Class 4 and the Planet Protectors Club have been working hard to show us all how to recycle and re-use our school waste.

The Sustainable Schools team came in to show us how rubbish is sorted.

Mr. Bland re-used the old library furniture to make shelving for our P.E. cupboard.

## Notes and dates for your diary:

Valentine's discos Friday 13<sup>th</sup> February

Fairtrade Fortnight starts 23<sup>rd</sup> Feb.

World Book Day event 6<sup>th</sup> March – dress self or teddy as book character.

Class 2 assembly/coffee 11<sup>th</sup> March

Parents Evenings 17<sup>th</sup> (5pm – 8pm)

and 18<sup>th</sup> March (3.30pm – 5.30pm).

Class 4 assembly/coffee 25<sup>th</sup> March.

Peanut and his friends are enjoying some of our wonderful new books.

Amy and Chloe have been stamping 200 books bought with a donation from Friends of Micklefield as well as all these big bags of books from Holly's family and books from the Winfields, Mrs. Dickson and Mrs Bland. A big thank you to all of them – and to everyone else who has helped to re-stock our new library.

We enjoyed our visit from Garforth Community College who performed 'Bob the Robber' in assembly.

Class 4 visited the college to take part in a drumming workshop with GCC pupils and Mrs. Lowton.

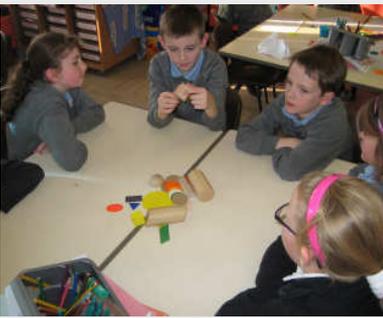

School is not all pencil and paper work as you can see. Everyone has at least two sessions of P.E. each week and we often have visiting sports coaches working with the classes, this time with Class 4. (Please make sure P.E. kits and water bottles are always in school.)

Class 3 have been working with 3D shapes in their maths lessons. They know the names of the shapes and can describe their properties.

We were pleased to see parents at the maths workshop and SATs talk where there were opportunities to look at the equipment and methods the children use in school and to find out how to help support children's learning. If you missed it this time, look out for the next one.

Foundation Stage assembly was full of exciting things to share. Jack and Liam are holding their photographs with captions they have written underneath, Camron and Jack showed their shiny robots, we saw robot pictures, Chinese lanterns and even heard a poem about a robot read by Amelia – all by herself, amazing!

Holly showed the hard work she had done at school and then more things that she had been busy making with Caroline her childminder. No wonder she is doing so well!

Here's a handsome young man modelling the new school uniform. You look really smart, Kyle!

Uniform is available from the link on the website or using a form from the office. Don't forget that you do not need to change until you are ready.

More star guests with star manners were invited to the Star Table. On the Star Table, children can try a school dinner for the first time – they have all enjoyed it! After half term your child can book a trial week of school dinners if you ask at the school office.

**Correction:**  
The last training day for this year will be on **Monday July 20<sup>th</sup>** not April 20<sup>th</sup> as printed in the last newsletter.
