The Spring term ended with a splash of colour. Here are pictures of some of our Decorated Egg Competition entries which were displayed in the hall. The Easter Bunny came to call in the morning; we followed his pawprints and found that he had left a basket of eggs for all the children. In the afternoon we went on an Easter Parade to St. Mary's Church, walking round some of the village streets to show off our beautiful Easter Bonnets on the way.

The Planet Protectors' Club has been out and about – the children and some parents visited the Landfill Site on Monday to find out just what does happen to our rubbish when the bin men come to take it away.

Notes and dates for your diary:

May

- 4th School closed
- 6th Class 3 assembly/coffee morning
- 7th Class 3 Viking Day
- 11th – 15th KS2 SATs

- 15th Foundation Stage Graduation Day
- 16th Summer Concert afternoon and evening performances
- 17th Leavers' Service at St. Mary's Church
- 20th Training Day

The Mr. Men have disappeared and nocturnal animals are the theme in Class 2 this half term. Not just hedgehogs and foxes, but armadillos, sloths and pangolins have waddled and plodded their way into almost all the areas of the curriculum. The children have studied their characteristics and habitats and made clay models of their favourite ones.

In Foundation Stage, the children are enjoying the Spring weather and making the most of school inside and out. The activities are carefully planned to provide opportunities for working together and developing a wide range of skills as well having fun. We are hoping to hear good news from the funding panel next week so that the building alterations for FS/KS1 can go ahead in the summer.

Peanut brought his sword and shield on St. George's Day. He was disappointed that we hadn't seen any dragons in Micklefield. We showed him how to fight 'angry feelings' dragons instead.

Welcome back to Mrs. Douglas ☺.
Class 3 will be having their Activity Day on Thursday May 7th. We are hoping that parents will come to support their children and we know that everyone will enjoy the day. Look out for the pictures in the next newsletter!

What a lot of stars we have shining in our Foundation Stage! Here they are with their certificates for Star of the Week, Star Table guest certificates, Kindness Awards, Tidiness Award, Passport certificates..... and lovely smiles.

WANTED - MORE FRIENDS OF MICKLEFIELD!
We really value the fundraising and support FOM give to school. Please ask at the office if you could offer your help.
