Class 2 Practical maths, geography and history

In the midst of all the salt dough, chocolate chip cookie baking and weighing activities, some people in Class 2 still found time to do a traffic count, explore a fire engine, listen to Miss Watson's special visitor AND fill their passports!

Class 4 Bugsy maths, Countryside Day, rugby and the G.C.C. Cross Country competition

to name but a few of their recent activities. Here's one of our Class 4 pupils taking part in the 'Sort it' assembly that he booked for us. The children visited the Great Yorkshire Showground for a Countryside Day, where they had the opportunity to see birds of prey close up. Our cross country team ran well in their competition at G.C.C.- it was probably a relief for their brains after all the maths Mrs. Loring's been organising for everyone; scaling diagrams up and down for Bugsy cars, Maths Passport travels and of course,

Micklefield's stars are shining out their talents again; a new pianist, star table guests, our financial capability visitor, Jane Kirkpatrick, working with Class 3 on their Summer Fair project, Mrs. Colman's piano stool upholstering talent and a young man with his design ideas for play kits to sell – watch out Dragon's Den! Two new clubs have started this half term; 'Share a Book' club and ICT club. They are both open to children with an adult.

Foundation Stage had a lovely time at Tropical World and saw lots of exciting creatures. We'd like to say thank you for supporting our joint sponsored walk for BRAKE and our playground improvements- part of our Sustainable Schools Themed Week. Please send money in by next Friday. Parents' lunches have been so popular that they will continue, just pay at the office in the morning if you would like to have lunch with your child.

Are you as brave as these **Class 3** children?! Pupils from Class 4 used email and phone calls to work out prices, times and dates to book a visit by the Zoo Lab as part of the Themed Week. Thank you Class 4.

Notes and dates for your diary:

- June**
 23rd Activity Afternoon Year 1
 24th Class 4 assembly/coffee morning
 Activity Afternoon Year 2
 27th Summer Fair 2pm -(Please bring tombola and raffle prizes by June 25th).
July
