Summer Fair Edition

Micklefield School and St. Mary's Church

We have a favourite song that we sing in our assemblies, it's all about working and playing together to get the job done. The Saturday morning of Summer Fair day just showed what we can do! There were adults and children setting out stalls, carrying chairs, putting up the gazebo, blowing up balloons.....everyone working together to make it a fantastically successful day. A big thank you to the Friends of Micklefield and all our helpers ☺.

Class 3's Enterprise Project

Part of the Every Child Matters agenda and the PSHCE curriculum is to give pupils the opportunity to develop skills for their economic wellbeing. The Trust schools have been working with Julie Kirkpatrick, a financial expert, to find our pupils' entrepreneurial talents. Class 3 planned and designed a profit-making scheme to run a stall at the Summer Fair selling bookmarks and smoothies as well as organising bun decorating and an obstacle course for bikes. They didn't need all of their original £20 to set it up because of donations, and they sold the buns that were left at playtimes to make a profit of over £40 altogether. Well done, Class 3 – enjoy choosing what to spend your hard-earned money on!

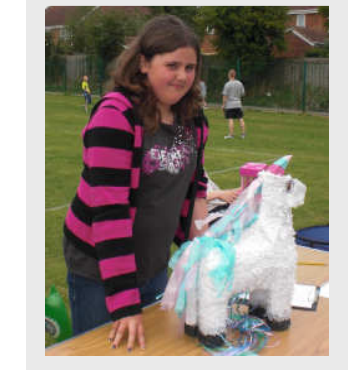

There was so much happening this year, it was difficult to know where to start spending money. The queues for the face-painting never seemed to get any shorter, thanks to the artistic talents of the Friends of Micklefield ladies, the school stalls were always busy and there were lots of people who rented a table for their table top stalls full of goods to buy!

The human fruit machine with its boxes beautifully decorated by Class 2, kept some of the staff busy all day while people tried their luck at doubling their money. If your reactions were quick enough, you could Splat the Rat with the big hammer, or console yourself if you missed it with a beautiful bun or some fantastic fudge cake.

There was certainly no need to worry about going hungry during the afternoon with all that baking on offer, as well as hot dogs available in the gazebo and refreshments, served by the ladies from St. Mary's church, to enjoy at the tables and chairs set out by the portacabin.

St. Mary's Church also ran a cake stall, a tombola and various other activities. Can you spot anyone you know – working hard or taking a break?!

Thank you everyone!

Dates for your diary:

July

- 6th Reports to parents
- 7th and 8th F1 transition days
- 7th New starters evening 7pm
- 8th Brigshaw transition day
- 9th Garforth transition day
- 10th Sports Day
