

4S Newsletter

November 2013

Dear Parents/Carers,

Welcome back to the second half of the Autumn term - and the run up to Christmas! Over the next few weeks in 4S the focus will be on the Earth and beyond, including shadows; seasons; orbits and night and day. The children will also be embarking upon a digital media project where they will be exploring animation; designing and making their own film sets and using new computer software to create a short film. In maths and literacy the class will be focusing on consolidating the four calculation operations; solving problems requiring logic, reasoning and systematic working; extending their knowledge of time and measures and exploring different types of writing - particularly newspaper reports and non chronological reports.

Cas Tigers will continue on a Monday afternoon, and Forest Schools on Tuesday afternoons. Homework and poetry to share at home will continue on a weekly basis.

Parents' Evening

Mrs. Scorfield is currently recuperating after an operation, and will be back with us as soon as she is fit and able. She will rearrange parents' evening appointments with you as soon as she returns.

Children in Need

To raise money for Children in Need, the children are invited to come to school dressed in their onesies (or pyjamas) on Friday 15th November for a donation of 50p. There will also be a coin collection all week to raise extra money for this charity.
