

English

Literacy and Language: Reading and writing - phonics/spelling, vocabulary, handwriting, grammar and punctuation through the fiction genre of traditional tales and the non-fiction genre of instructions.

(Some children go to Mrs. Loring for English.)

Science

Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

Working scientifically - asking simple questions, suggesting answers, observing closely, performing simple tests, gathering and recording data

PE

Real PE - Health and Fitness - developing balance, agility and co-ordination

Athletics - running short and long distances, throwing and jumping

Sports themed week and introduction to running a daily mile

Geography

Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment - link with Art and Hook Moor wind farm competition

Music

Play tuned and untuned instruments musically. Experiment with, create, select and combine sounds using the inter-related dimensions of music.

SEAL

Changes

Knowing myself
Planning to reach a goal
Making choices

DT

Not a focus this half-term

Art and Design

Competition - create a picture that represents the local environment. The winning design will go on the side of one of Hook Moor wind farm's turbines!

Computing

Use technology purposefully to create, organise, store, manipulate and retrieve digital content - using the internet to research and word to create an information sheet.

RE

Christianity - following up assembly themes

Our Value

The 5 Rs

Relationships; Resilience; Risk Taking; Resourcefulness; Reflection - Ongoing with a particular focus in Nurture Group sessions

Maths

Number - number and place value, number facts
Number - addition, subtraction, multiplication, division, fractions
Geometry - properties of shape, position and direction
Statistics - graphs, pictograms, tables
