

Welcome back! I hope you have had a lovely break.

Our learning

Our topic this half term is 'Amazing America'. Please see the other side of this letter to see what Class 4 will be learning this half-term.

Homework

Homework, alternating between Maths and English, will continue to be sent home every Monday and should be returned by Friday each week. Please ensure it is always completed in order to help earn a green sticker!

Spelling

Thank you so much to all the parents/carers that are helping children learn spellings in their log books and ensure they are brought into school every day. Due to the new and high expectations, on top of spelling groups, your child will be sent out a new set of words to learn every Friday, that will then be tested the following Friday. Well done to those that are already learning them as much as they can; it really shows in writing!

Reading

Please help your child to succeed by listening to them read as often as you can. The more often you can read with your child, the more fluent they will become and the easier they will find all aspects of their learning. Please record reading at home (book and pages read) in your child's planner. If your child brings home a banded book please ensure that they read this as much as possible so that they will keep moving up a colour until they are off them!

PE

PE will continue to be on a Tuesday and Wednesday. Due to PE being at the end of the day on a Wednesday, children have the choice to go home in their PE kit. If you would rather your child get changed before coming home please let me know. Please ensure your child has their PE kit every week, including suitable footwear. Shorts and tracksuit bottoms should be navy or black, and t shirts must be white.

Trips

As you are aware, we are going to Bewerley Park on March 7th. Please ensure, if you have not already, that you have paid for the trip and handed back the information form.

Year 6 booster group

Now the weather is a little bit better, I will be running a Year 6 booster club again, that will focus on maths and literacy revision. It will be every Tuesday until 4:30pm starting 1st March. Please state in your child's planner if they will be walking home alone.

Thank you for your support

Miss B Higham
