<p>Please note some of these services are provided by a third party. Our ethos is to connect parents &amp; carers, schools, and settings with services that can support raising outcomes, or provide unique opportunities for children and young people. This includes links to services provided by third parties where Leeds City Council do not provide that specific service. Third party services are independent of the council and, whilst we will endeavour to act on any feedback we receive, Leeds City Council has no control over the quality of service provided or content in links.</p> <p>The STARS team are committed to the use of neuro-affirmative language – we cannot guarantee this is the case for all resources signposted in this document.</p>
