

## Uniform Rationale

Our children wear a clearly recognisable uniform, which makes it easier to identify which school community they belong to. This affords a degree of safety, as the children are part of a body of young people who will look out for each other, when coming and going to and from school.

Putting on a uniform is an indicator that you are going to work hard and learn. Uniforms help our children demonstrate pride in their school.

Uniform eliminates the stress placed on pupils and parents to purchase and wear expensive, fashionable items.

Uniform is a relatively inexpensive way of dressing children for school and can be bought either from the uniform supplier below or from any major supermarket.
